2. Late Applications – Open 19 January 2024

2.1 The University has opened late applications in programmes that have not yet met the required quotas. These online application process will be opened for all qualifying students in the following Faculties, Departments and available programmes:

- 2.1.1 Faculty of Applied and Computer Sciences: Analytical Chemistry, Biotechnology, Environmental Studies and Information Technology.
- 2.1.2 Faculty of Engineering: All Departments and programmes (excluding extended programmes that are full).
- 2.1.3 Human Sciences: All programmes in the Visual Arts Department (Fine Art, Graphic Design, Fashion and Photography).
- 2.1.4 Management Sciences: All Accountancy Department programmes (Financial Information Systems, Cost and Management Accounting, Internal Auditing) only.

Note for first years: Be reminded that registration is on a first-come, first-served basis. Spaces are limited to the quota set per programme.

The University requests that all late applicants review the minimum admission requirements and apply only into programmes where they meet the minimum admission criteria.

Once the University has accepted enough applications, late applications will close without prior warning to prevent further applications from being received.

“NO WALK-INS ALLOWED”

Issued by the Office of the Registrar.
